The health and safety of LIUNA members, LHSFNA affiliates and their families are always the LHSFNA’s greatest priority. The LHSFNA has instituted the following recommendations regarding hosting health fairs and the staffing of health fairs.

**Health Fair Events**

Due to the associated risks of COVID-19, it is the LHSFNA’s recommendation to not conduct health fairs until further notice. In doing so, it will allow us to practice safe social distancing to mitigate the spread of the novel coronavirus.

**Health Fair Staffing**

For the health and safety of LIUNA members, LHSFNA affiliates, their families and the medical professionals, the LHSFNA has made the decision to not provide staffing or supplies for health fair events until further notice.

**Resources and Next Steps**

The LHSFNA continues to closely monitor the coronavirus pandemic. Updates will be made to our health fair guidance based on the latest public health recommendations and scientific evidence.
